Welcome to **Oak & Essence Catering by Thompson Hospitality!** Our mission is to provide you with exceptional quality, exceptional service and a creative cutting-edge culinary experience. Our professional staff is available to assist you in planning your special event Monday-Friday 8:00am - 5:00pm. Please contact our catering coordinator at 804-414-2584 for customized service and menus.

Placing an Order

Contact the Catering Office at 804-414-2584. A room must be reserved before initiating a catering request for an on-campus function. After a location has been confirmed with the university, our staff will help you determine the menu, event setup and all the other details for your event.

Guidelines for Planning Your Event

In arranging catered events, attendance must be guaranteed five business days in advance of the event. This guarantee will allow for the proper planning of your event and will be your commitment to pay for the guaranteed number or the actual number of attendees, whichever is greater. For weekend events, the count must be guaranteed on the Monday before the event so as to allow ample time for the ordering process.

Payment for Sponsored University Events

Payment for a scheduled event should be made to Thompson Hospitality and is due three (3) business days prior to the event. This payment will place the event in what is known as "confirmed status". If the event is not in confirmed status, Dining Services cannot guarantee that the service will be rendered. Therefore, it is crucial that the communication between you, the customer, the approving official office, and the Dining Service's Catering Office is effective. As applicable, please provide one of the following forms of payment to the Catering Office:

- Completed copy of the purchase order form with all authorized signatures
- Foundation or Fund Certification Form

Payment for Non-University Sponsored Events

Payment for a scheduled event should be made to Thompson Hospitality ten business days prior to the event, the client must remit half of the bill. This payment will place the event in “confirmed status”. If the event is not in confirmed status, Dining Services can not guarantee that the service will be rendered. The remaining balance (50 percent) is due three days prior to the event. As applicable, please provide one of the following forms of payment to the Catering Office:

- Credit Card
- Cash
- Certified Check
- Money Order

For non-university sponsored events, state sales tax will be charged unless a tax exempt certificate is received prior to the start of your event.

Cancellation

To avoid any pro-rated charges, all cancellations must be submitted, in writing, to the Catering Office at least 72 hours (three business days) prior to your event.

Delivery fees

A delivery fee of \$80.00 will be applied to any event held away from the campus. This fee is for the transport of food, service equipment, china, flatware and linen.

Labor

For events that are delivered, an attendant will ensure that all items are to your satisfaction. If an attendant is requested, or required based on the style of service provided, additional charges will be applied as follows:

Wait Staff: \$22.00 per four hours (minimum)
Culinary: \$25.00 per four hours (minimum)
Bar Tender: \$25.00 per four hours (minimum)

Service Times

All events will include a two-hour service time. Events requiring serving time beyond what is mutually agreed upon will be assessed an additional charge of \$20 per hour.

Taxes

For non-university sponsored events, state sales tax will be charged unless a tax exempt certificate is received prior to the start of your event.

Safe Food Handling

Safe food handling is a high priority for Catering Services. Therefore, we do not allow left over food to be carried out. For your safety, and that of your guests, a Catering representative will remove food from your event in a timely manner.

Security

Catering Services is not liable for any equipment, supplies or personal belongings left in public function areas.
